Mrs. W. E. Clement of Middlebury has a Walton's Vermont Register printed in 1803, when the census of Montpelier in 1791 was 118.

Catairrh Cannot Be Cured with Local Applications, as they cannot reach the seat of the disease, Catairrh is a blood or constitutional disease, and in order to cure it you must take internally, and acts directly good the blood and nursons surfaces. Hall's Catairrh Cure is not a quack medicine. It was prescribed by one of tine best physicians in this country for years and is a regular prescription. It is composed of the best funds known, combined with the best blood portiers, acting directly on the muscons surfaces. The perfect combination of the two ingredients is what produces such wonderful results in curing catairrh. Send for testimonials, free.
